Proclamation.

It is proper and patriotic that the glorious Fourth, the natal day of our national life, be properly observed and joyfully acclaimed over whatever land "Old Glory" waves, but danger to life, limb and for the prevention of accidents, necessity demands a sane Fourth. Therefore, with this view alone in mind and heart, I, Thomas Walton, Mayor of the City of Lexington, do hereby restrain and prohibit the firing of giant crackers, diamond caps, or bombs, or the discharge of fire arms (guns or pistols) in or upon the public streets, avenues, alleys or highways of the city of Lexington on the Fourth day of July, 1910, and the city police are vested with authority to arrest any and all persons violating the same.

THOMAS WALTON, Mayor.

They obstruct the passage of pedestrians and interfere with the public and private parkways along the same. Complaints are constantly being made to the officials and the ordinance will be enforced.

CONFIRMED PROOF

Residents of Lexington Cannot Doubt What Has Been Twice Proved.

In gratitude for complete relief from aches and pains of bad backs—from distressing kidney ills—thousands have publicly recommended Doan's Kidney Pills. Residents of this vicinity who so testified years ago, now say their cures were permanent. This testimony doubly proves the worth of Doan's Kidney Pills to Lexington kidney sufferers.

Mrs. A. A. Cuiston, Main St., Richmond, Mo., says: "Doan's Kidney Pills have been the greatest benefit to me. I had lumbago and there was a dull, nagging pain in my back which bothered me when I stooped or lifted. I found it difficult to arise after I had been setting for any length of time and if I remained on my feet long, I felt miserable. When I learned of Doan's Kidney Pills, I procured a supply and they improved my condition in every way." (Statement given May 21, 1906.)

A LASTING EFFECT.

On Dec. 26, 1908, Mrs. Cuiston said: "You may continue to publish the testimonial I gave in favor of Doan's Kidney Pills over two years ago. My cure has been permanent."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
